BULABOD BEACH AND RIVER /TAMARAW FALLS

Puerto Nirvana presents a rare treat given only by nature. See fresh water intertwine with sea water in a stunning up-close view and experience the wonder of brackish waters.

Tamaraw Falls is the natural fountain of Puerto Galera, not only for viewing but for swimming as well, as it conjures thin mists from the waters that falls on its carved cliffs

TUKURAN /TAMARAW FALLS/MANGYAN HANGING BRIGE/SCENIC VIEW

See natural architecture at its grandest scale at the Verde Bay View. Tukuran Falls is a hidden spring paradise accessible by a hike or a carabao cart ride through virgin and cultivated greenery, rolling plains and six shallow rivers. Take a dip in clear pools and have massages given by nature under the cascading falls.
